PROJECTS

Portfolio Website — *HTML, CSS, JavaScript* — GitHub

- Developed a **responsive**, **clean**, and **maintainable** portfolio showcasing skills, projects, experience, and contact information.
- Ensured that the design adapts seamlessly to various screen sizes, providing a consistent experience across devices.
- Focused on writing modular, reusable code for easy updates and future expansion.

Task-Management-App — *MERN stack* — GitHub

- A full-stack web application to manage tasks efficiently.
- Users can create, update, and delete tasks while maintaining a clear and organized interface.
- **Frontend:** Built with React.js for a modern and interactive user experience.
- **Backend:** Powered by Node.js and Express.js to handle API requests and business logic.
- **Database:** Utilizes MongoDB for storing task data.
- **API Testing:** Postman is used for testing and verifying API endpoints.

EDUCATION

National Institute of Technology, Kurukshetra (2023-2027)
Bachelor of Technology in Computer Engineering - SGPA: 9.35/10.0

Army Public School, Ambala Cantt (2022-2023)
Senior Secondary Education, Non-Medical (CBSE) - Percentage: 95.2

Army Public School, Ambala Cantt (2020-2021)
Secondary Education (CBSE) - Percentage: 97.85

ACHIEVEMENTS

1. Selected among the top 25 teams in the **Smart India Hackathon (SIH)** from college participants.
2. Solved 300+ problems on LeetCode.
3. CodeChef Rating: 2-Star.
4. Reached the semi-finals in the **Excalibur** event of TechsPardha successfully clearing two challenging rounds.

SKILLS

Languages: C, C++, Python, JAVA
IT Constructs: DSA, OOPs in JAVA, OOPs in C++
Development: HTML, CSS, JavaScript, ReactJS

Soft Skills: Adaptability, Agility, Eager to learn,Communication Skills,Leadership

WORK EXPERIENCE

Web Dev Intership - CodSoft (July-2024)
Completed a web development internship, designing and implementing a portfolio and landing page using HTML, CSS, and JavaScript.

EXTRA-CURRICULAR

1. TechSparda Events (HackShetra, Excalibur)
Participated in hackathons, collaborating on innovative solutions and gaining hands-on experience in technology and teamwork.

2. Active Member of Technobyte
Engaged in coding contests and workshops, improving technical skills and peer collaboration.

3. Active Member of Colors – A Happy Place
Assisted in organizing events focused on mental well-being and inclusivity, enhancing leadership and communication skills.
